Quality People.

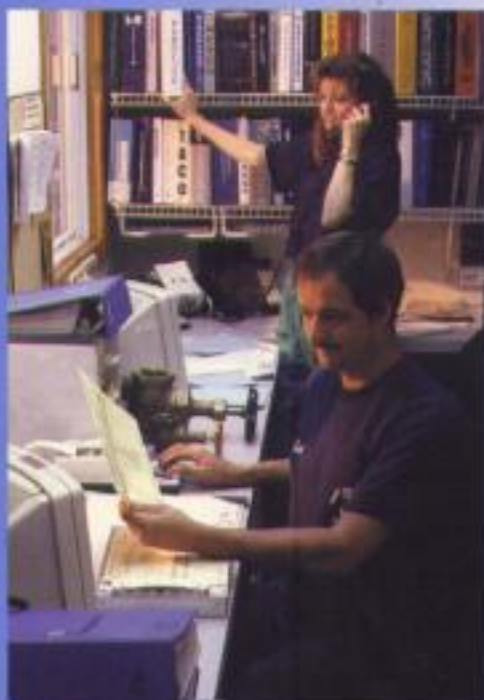

Service and quality are the motivating factors at DWC. It all starts with our people. Family owned and operated since 1947, the Duff Company and its water conditioning division, DWC, are headed by Dick and Geoff Duffine.

With an emphasis on providing quality service and technical support, the Duffine family has become an industry pacesetter.

By hiring and employing a top-notch staff of highly-skilled professionals, DWC

responds proactively, with the understanding and capability to meet each client's particular needs.

At DWC, a fast and accurate response is what you'll get—from a familiar voice. Most of our staff are long-term employees who take the time to develop one-on-one relationships with each of our customers. We've combined that commitment to quality personal attention with advanced technology to provide outstanding products and service. In addition, we are available and on-call for emergency service 24 hours a day, 365 days a year because we take our business as seriously as you take yours.

DWC has taken the water conditioning business to a new level. We offer a broad based menu of services and systems that can be created for almost any need. As part of our service menu, DWC provides a full line of water treatment minerals and chemicals as well as all components for water treatment equipment.

We have the capabilities to assemble equipment in any size or specification, from large commercial and industrial units, to units suitable for in-home use. In addition to standard units, DWC can build specialized or customized units for a variety of needs.

From pre-treatment to environmental clean-up, DWC's wide range of experience provides innovative solutions that meet the challenges of today's environmentally complex world.

Quality Service.

DWC

PROVIDING EXPERIENCE AND EXPERTISE FOR ALL YOUR WATER TREATMENT NEEDS

Quality Counts.

Whether its for commercial, industrial or residential water treatment, you can count on DWC as a partner for your solutions.

Today, water treatment has expanded beyond simply softening to include corrosion control, boiler feed, cooling tower filtration and oxidation, potable water treatment, food additives, pharmaceutical manufacturing, high purity rinse waters, non-sanitary waste control, laboratory grade water and dialysis water.

In addition the available untreated water varies as greatly as the different water quality levels needed. DWC understands the variables and draws from experience and knowledge of water treatment

options to meet and exceed the needs of our customers. DWC not only understands water treatment, they build systems with the consideration of staff resources, space limitations, future expansion, budget, reliability and redundancy requirements, monitoring, reporting, maintenance, environmental impact and public image.

With DWC, you get solutions, not just equipment.

But it doesn't stop there.

In addition to our water treatment products, DWC offers a very broad product mix and sells all products necessary for installation, including:

- ❖ Pipe, valves, fittings, tubing (made from copper, brass, stainless steel, PVC, CPVC, polypropylene, polyethylene etc.)
- ❖ Hose and hose fittings
- ❖ Pumps of all types, including Grundfos stainless steel pumps
- ❖ Laboratory faucets and fittings
- ❖ Hand tools and electric power tools, including Rigid and Milwaukee

Duff's complete fleet of radio dispatched trucks delivers in a 150 mile radius of our headquarters. Customers outside that area enjoy prompt delivery by reliable commercial delivery systems.

DWC HAS THE CAPABILITIES TO BUILD UNITS OF VARIOUS KINDS, INCLUDING:

- ❖ WATER SOFTENERS
- ❖ ACID NEUTRALIZERS
- ❖ GREEN SAND FILTERS
- ❖ DEIONIZERS
- ❖ REVERSE OSMOSIS
- ❖ CARBON FILTERS
- ❖ POINT OF USE FILTERS
- ❖ CARTRIDGE FILTERS
- ❖ ULTRAVIOLET LIGHTS

DWC's PROFICIENCY AT SYSTEM APPLICATIONS AND SERVICES IS UTILIZED BY A WIDE RANGE OF INDUSTRIES, INCLUDING:

- ❖ WATER TREATMENT DEALERS
- ❖ WATER TREATMENT COMPANIES
- ❖ WELL DRILLERS
- ❖ SCHOOLS, FACTORIES, HOSPITALS
- ❖ PHARMACEUTICAL COMPANIES
- ❖ DISH MACHINE COMPANIES
- ❖ LAUNDRY SERVICE COMPANIES
- ❖ ORIGINAL EQUIPMENT MANUFACTURERS
- ❖ ENVIRONMENTAL REMEDIATION
- ❖ WASTE WATER CONTRACTORS
- ❖ MECHANICAL CONTRACTORS
- ❖ ENVIRONMENTAL ENGINEERS
