When you need it now... or don't know how

RAZORBACK™ DRAIN WRENCH

ONE-HANDED DRAIN INSTALLATION

The Razorback Wrench features a unique design that allows for one-handed installation of drains from the top or bottom.

- Eliminates the need for all other "Box End" wrenches
- Fits most common styles of brass and plastic shower and sink drains
- "T" handle rotates 180° for easy access and maximum leverage
- Made of extremely durable, high impact polycarbonate polyester
- Ideal for working in tight areas
- Ideal for retrofits and new installations
